MediExcel Vision Plan Service Area and General Qualifications

MediExcel Vision Plan has a service area. This is the area in which MediExcel Vision Plan provides vision care coverage which consists of the border cities of Tijuana, Tecate, and Mexicali, Baja California, Mexico. You (*the employee*) must be a Mexican National and work in the County of San Diego or Imperial to become a member of MediExcel Vision Plan. You must receive all eye care services within the MediExcel Vision Plan service area unless you need emergency or urgent vision care. **If you reside in the U.S. and you and your enrolling dependents do not have the proper documentation to cross into Mexico and return to the U.S., you cannot enroll in MediExcel Vision Plan.** If you no longer work in San Diego or Imperial County, you must inform MediExcel Vision Plan. Your dependents regardless of their nationality may also enroll in MediExcel Vision Plan (*see page EOC-21.*) If your dependents do not reside with you, they must reside in the MediExcel Vision Plan service area in order to be eligible to enroll.

Mexican Health Care Standards

Legal requirements for and generally accepted practice standards of medical care in Mexico are different from those of California or elsewhere in the United States. Therefore, the care to be received through providers in Mexico in MediExcel Vision Plan will be care that is consistent with generally accepted medical standards of Mexico, not of California. MediExcel Vision Plan contracts only with providers who meet all applicable laws, licensing requirements, and professional standards of Mexico and who provide their services in accordance with the generally accepted standards of the organized medical community relating to professional and hospital services in Mexico. Any member who is not completely comfortable with the standards of care for the practice of medicine in Mexico should not enroll in the MediExcel Vision Plan.

MediExcel Vision Plan Network

Our network is all the optometrists, ophthalmologists, optical centers, and other participating providers that MediExcel Vision Plan has contracts with.

- You must get your vision care from your primary eye care doctor and other vision providers who are within the network. Our *Provider Directory* is available on our website at www.mediexcel.com. If you require a printed copy, call (855) 633-4392 toll-free, or (664) 633-8555 if dialing from México.
- If you go to providers outside the network, you will have to pay all of the cost, unless you received pre-approval from MediExcel Vision Plan *or* you had an emergency *or* you needed urgent vision care away from home.

Language and Communication Assistance *(see page EOC-14)*

Good communication with MediExcel Vision Plan and with your providers is important. All MediExcel Vision Plan Member Services Representatives are fully bilingual in Spanish and English. If Spanish is not your first language, MediExcel Vision Plan provides interpretation services and translation of certain written materials at no cost to the member.

- To ask for language services call MediExcel Vision Plan at (855) 633-4392 toll-free in the U.S., or (664) 633-8555 if dialing from Mexico.
- If you have a preferred language to communicate in, other than Spanish or English, MediExcel Vision Plan will arrange for interpreter services during your telephone call or visit to MediExcel Vision Plan.
- Please notify us of your personal language needs by calling MediExcel Vision Plan at (855) 633-4392 toll-free in the U.S., or (664) 633-8555 if dialing from Mexico.
- If you are deaf, hard of hearing, or have a speech impairment, you may also receive language assistance services by calling the Deaf and Disabled Telecommunications Program at 711 which can facilitate communications with MediExcel Vision Plan. See *page EOC-52*.

How to Get Eye Care When You Need It

When you desire to obtain your Plan benefits:

- You should contact a primary eye care doctor or MediExcel Vision Plan unless it is an emergency or urgent vision care situation.
- A primary eye care doctor is an optometrist or ophthalmologist that participates in MediExcel Vision Plan. A list of names, addresses, and phone numbers of all participating providers can be obtained from your employer or MediExcel Vision Plan.
- Call a primary eye care doctor or MediExcel Vision Plan first to schedule your eye care appointment unless it is an emergency or urgent vision care situation.
- The eye care must be necessary for your health. Your primary eye care doctor and MediExcel Vision Plan follow guidelines and policies to decide if the care is medically necessary.
- The eye care must be a service that MediExcel Vision Plan covers, (*Covered Services are also called Benefits.*) To see what services MediExcel Vision Plan covers, see the “*Summary of Benefits*” on *page A-1*.

Referrals and Pre-approvals *(see page EOC-15)*

You do not need a referral from your primary eye care doctor and or pre-approval from MediExcel Vision Plan for most eye care services. A pre-approval is also called *prior authorization*.

- Make sure your doctor gives you a referral and gets pre-approval if it is required.
- If you do not have a referral and pre-approval when it is required, you will have to pay all of the cost of the service.

You usually need a referral and pre-approval to:

- Get a second opinion about a diagnosis or treatment.
- See an eye doctor who is not within the MediExcel Vision Plan network.

You do **not** need a referral and pre-approval to:

- See a primary eye care doctor.
- Get emergency or urgent vision care.

Emergency and Urgent Vision Care Services

MediExcel Vision Plan has been selected by your employer to provide you with routine vision care, by way of a scheduled comprehensive eye examination. However, you may require immediate or urgent vision care of a medical nature due to:

- Trauma—like having a foreign object in your eye or being hit in the eye; or
- Disease—like a sudden loss of vision or flashing or flickering lights (*without eye trauma*.)
- If you require urgent vision care you may go, without authorization, to a MediExcel Vision Plan participating provider or an out-of-network provider. MediExcel Vision Plan will not pay for medical services needed to care for such trauma or disease, and you may be financially responsible.
- If you see a MediExcel Vision Plan provider for emergency or urgent vision care, the MediExcel Vision Plan provider may want to coordinate with your medical providers and/or submit a claim to your medical benefits plan.
- In addition to your MediExcel Vision Plan Member ID card, don't forget to take your health insurance card, which identifies your medical benefits plan, and may identify your medical group and primary care doctor.
- You are encouraged to contact your medical insurance provider, call "911" or go to a local hospital emergency room when you have an emergency medical condition that requires an emergency response.

Care When You Are Away from Home *(see page EOC-19)*

- Only emergency and urgent vision care are covered.
- If you obtained covered benefits outside of the network because of an emergency or an urgent care situation, you must let MediExcel Vision Plan know within 48 hours, or as soon as you can.

- If special circumstances arise, call MediExcel Vision Plan at (855) 633-4392 toll-free in the U.S., or (664) 633-8555 if dialing from Mexico.

Costs (see the “Summary of Benefits” on page A-1 and “What You Pay” on page EOC-10)

- The **premium** is what you and/or your employer pay each month to MediExcel Vision Plan to keep coverage.
- A **copay** (*copayment*) is the amount that you must pay each time you see a doctor or get other covered services. In most cases, the copay is zero which means there is no charge.
- After you pay your copay, MediExcel Vision Plan pays the rest of the cost of the service up to the **benefit allowance**, as long as the service you get is a covered benefit.
- The **benefit allowance** is the maximum amount MediExcel Vision Plan will pay. After the benefit allowance is reached for the specific benefit, the member is responsible for the remaining cost.

If You Have a Problem with MediExcel Vision Plan (see page EOC-34)

- If you have a problem with MediExcel Vision Plan, you can file a complaint (*also called an appeal or a grievance*) with MediExcel Vision Plan.
- If you disagree with MediExcel Vision Plan’s decision about your complaint, you can get help from the State of California Department of Managed Health Care HMO Help Center. The HMO Help Center can help you apply for an Independent Medical Review (*IMR*) or file a complaint. An IMR is a review of your case by doctors who are not part of your health plan.

WHAT YOU PAY

This chapter tells you about your costs in MediExcel Vision Plan. The costs you pay may include:

- Premiums
- Copays (*copayments*)
- Amounts exceeding benefit allowance

This chapter also tells you what you need to do if:

- You have to pay for care at the time you get it.
- You have more than one vision plan (*Coordination of Benefits.*)

Premiums

A *premium* is the amount that MediExcel Vision Plan charges each month for vision care. Usually, your employer pays part of the premium, and you pay the rest.

- The amount you pay is usually taken out of your paycheck each month. If you have questions about your premium, ask your employer or call MediExcel Vision Plan at (855) 633-4392 toll-free in the U.S., or (664) 633-8555 if dialing from Mexico.
- If the premium changes, MediExcel Vision Plan will let your employer know in writing at least 30 days before the change. Usually, the premium changes only when your employer renews its contract with MediExcel Vision Plan.

Copays (*copayment*)

A *copay* is the amount that you pay each time you see a doctor within the MediExcel Vision Plan network or get services. You have to pay a copay for most vision care services you get.

- In most cases, the copay is zero which means there is no charge.
- The copay amounts are listed in the “*Summary of Benefits*” on page A-1.

Benefit Allowances

Several of the covered benefits, such as frames and lenses, have benefit allowances. This means that is the maximum amount provided for this specific covered benefit.

- If you order a covered benefit that exceeds the benefit allowance, you will pay the amount exceeding the benefit allowance.
- The benefit allowances are listed in the “*Summary of Benefits*” on page A-1.

If You Have to Pay for Care at the Time You Receive It (*Reimbursement Provisions*)

There may be times when you must pay for your care at the time you receive it. For example, if you get emergency or urgent care from a provider who is not within the MediExcel Vision Plan

network, you may have to pay for the service at the time you get care.

Ask the provider to bill MediExcel Vision Plan directly. If that is not possible, you will have to pay and then ask MediExcel Vision Plan to reimburse you (*pay you back*.) MediExcel Vision Plan will reimburse you as long as the care you get is a Covered Service and you can present substantiating documentation.

How to Get Reimbursed

You must ask MediExcel Vision Plan to reimburse you.

- We must receive your request no later than 180 days after you get the services unless you show that you could not reasonably file your request within this time period.
- Only Covered Benefit Services will be considered for reimbursement.
- You must include a copy of the bill, a receipt for your payment, and supporting documentation such as medical records that annotates the medical services rendered.
- If the reimbursement request is for services rendered in Mexico, please include a copy of the “factura” and ensure that the “factura” is made out in the name of “Medi-Excel, SA de CV with RFC# “MED091108FY4” and the official address, “Avenida Paseo de Los Héroes 2507, Zona Río Tijuana, Baja California 22320.”
- Under Mexican law, all businesses, including health care providers, are required to provide the client a “factura” for all financial transactions. If you are uncertain or have any questions while you are with the Mexican provider, please call Member Services at (664) 633-8555 and we can help you explain it to the provider.
- Send your request to either address:

MediExcel Vision Plan
750 Medical Center Court, Suite 2
Chula Vista, CA 91911

MediExcel Vision Plan
Av. Paseo de los Héroes 2507, Zona Río
Tijuana, Baja California C.P. 22320

- You may also email your request to: claims@mediexcel.com
- You still have to pay the normal copay for the care you received.
- Reimbursement for approved charges will be mailed within 30 business days of receipt of complete documentation.

If You Have More Than One Vision Plan (*Coordination of Benefits*)

Some people have more than one vision plan or health insurance policy. If you do, MediExcel Vision Plan must coordinate your benefits with your other policy. Contact MediExcel Vision Plan and your other policy before you receive services to let each plan know about the other.

- You must tell your doctors and other vision care providers about any other health plan

you or members of your family have.

- The total amount paid by all of the plans together will never be more than the total cost of the services.
- You still need to follow each plan's policies for using network providers and getting referrals and pre-approvals.

Contracted Vision Providers

All of the vision care providers within the MediExcel Vision Plan provider network are contracted by MediExcel Vision Plan and obligated to provide professional vision care services to members in accordance with professional standards. Additionally, in the event that MediExcel Vision Plan fails to pay the contracted provider for any claims for covered benefits services by members, the members shall not be liable to the contracted provider for any sums owed by MediExcel Vision Plan.

SEEING AN EYECARE DOCTOR AND OTHER PROVIDERS

MediExcel Vision Plan has a network that includes eye care doctors and other vision care providers. Your primary eye care doctor generally provides for all your eye care needs. Your primary eye care doctor will refer you to a specialist or other provider if your eye care condition is outside of his or her scope of care.

This chapter tells you about:

- Your choice of eye care doctors and providers
- Language & communication assistance
- Referrals & pre-approvals (*prior authorization*)
- Getting a second opinion

Referrals and Pre-approvals (*Prior Authorization*)

- You do not need a referral or prior authorization to see a primary eye care doctor.
- If your primary eye care doctor cannot take care of your vision eye care needs, you usually need a referral from this doctor and pre-approval from MediExcel Vision Plan to see a specialist or another provider.
- If you do not get the required referral and pre-approval and you get the service or treatment from a specialist or another provider, you will have to pay all of the cost.

The Pre-Approval Process

Your primary eye care doctor usually asks MediExcel Vision Plan for pre-approval. The eye care you want must be a covered benefit. MediExcel Vision Plan uses medical guidelines and policies to decide whether to approve or deny a referral.

- It can take up to 5 business days to get pre-approval, depending on your medical condition and the treatment you need.
- If your eye care problem is urgent, MediExcel Vision Plan may take up to (*24 hours*) to decide, depending on your medical condition and the treatment you need.
- MediExcel Vision Plan will tell your eye care doctor what we decide within 24 hours after making a decision.
- MediExcel Vision Plan will send you and your provider a letter within 5 business days after MediExcel Vision Plan has decided whether to approve or deny your request.

Your Primary Eye Care Doctor Makes a Referral

- Your primary eye care doctor may give you a written referral or may send the referral directly to the other provider. Your primary eye care doctor will give you the name and phone number of the specialist or other provider you will see.
- To make the appointment, call MediExcel Vision Plan at (855) 633-4392 toll-free in the U.S., or (664) 633-8555 if dialing from Mexico.

You Do NOT Need a Referral or Pre-Approval To

- See your primary eye care doctor.
- Get emergency or urgent eye care. See "*Emergency Vision Care*" on *page EOC-18* and "*Urgent Vision Care*" on *page EOC-19.*

Getting a Second Opinion

You may ask for a second opinion from another eye doctor about a condition that your primary eye care doctor diagnoses or about a treatment that your primary eye care doctor recommends. Below are some reasons you may want to ask for a second opinion:

- There is disagreement regarding your examination and vision correction results.
- Your eye care is not improving with your current treatment plan.
- Your doctor is unable to diagnose your problem.

How to Request a Second Opinion

You must request pre-approval from MediExcel Vision Plan to get a second opinion. Your request will automatically be approved.

- You can ask for a second opinion from another primary eye care doctor or from any specialist within the MediExcel Vision Plan network.
- The section called the “*Pre-approval Process*” on page EOC-15 explains how to request pre-approval.

Notice of the Availability of Interpreter Services: All MediExcel Member Services and Telephone Triage/Screening Services Representatives are fluent in Spanish and English. If you have a preferred language to communicate in, other than Spanish or English, MediExcel Vision Plan will arrange for interpreter services during your telephone call to MediExcel Vision Plan. ENROLLING IN MEDIEXCEL VISION PLAN AND ADDING DEPENDENTS

Your MediExcel Vision Plan coverage is a group vision plan you get through your employer.

This chapter tells you about:

- When you can join MediExcel Vision Plan
- Who can be on your vision plan (*who can be your dependent*)
- Adding new dependents
- Additional times you and your dependents can join MediExcel Vision Plan

When You Can Join MediExcel Vision Plan

As an employee you can enroll yourself and your dependents:

- At the end of any waiting period your employer requires.
- Once each year during the Open Enrollment period.
- Other special times during the year. See “*Special Times You and Your Dependents Can Join MediExcel Vision Plan*” on page EOC-23.
- If you do not enroll yourself and your dependents when you first qualify for vision benefits, you may have to wait until the next Open Enrollment period to join.

Who Can Be on Your Vision Plan (*Who Can Be Your Dependent*)

You can enroll the following family members on your vision plan. They are called your *dependents*. Talk to your employer to find out how much it costs to add dependents to your vision plan.

- **Your spouse**
- **Your domestic partner.** You must file a *Declaration of Domestic Partnership* with the Secretary of State.
- **Unmarried children:** your own or those of your spouse or domestic partner
 - The children must be under the age of 26 who are not otherwise eligible for coverage on their own under an employer program. They may be your natural children, legally adopted children, or stepchildren.
 - A disabled child can be covered past age 26 if the child is unable to work, because of a physically or mentally disabling injury, illness, or condition. You must be the main source of support and maintenance of the child.
 - At least 90 days before coverage will end for a disabled child, MediExcel Vision Plan will send you a written notice. You must show proof of disability and support within 60 days after you receive this notice. MediExcel Vision Plan will tell you if the child can continue to be covered. You may be asked to show proof again once a year, starting two

years after the child reaches 26.

- MediExcel Vision Plan may also request proof if you are enrolling a disabled child for new coverage. You must provide the requested information within 60 days of the request. The child must have been covered as a dependent of you or your spouse under a previous vision plan at the time the child reached age 25. You may be asked to show proof again no more than once a year.
- Additionally, a child or children under 19 years of age must not be enrolled in a MediExcel Health Plan Small Group Product. Such an enrolled child or children already have superior vision care benefits under the *Pediatric Vision Coverage* component of their Essential Health Benefits in the MediExcel Health Plan Small Group Product.
- **Service Area Eligibility.** If your dependents do not reside with you, your dependents must reside or work within the MediExcel Health Plan service area in order to be qualified to enroll.

Special Enrollment Periods You & Your Dependents Can Join MediExcel Vision Plan

If you experience a *Triggering Event*, you may qualify for a *Special Enrollment Period*, during which you can enroll in MediExcel Vision Plan or change coverage for you and your eligible Dependent(s), instead of waiting for the next Annual Open Enrollment Period.

Triggering Events for a *Special Enrollment Period* can be categorized into the following groups:

- Loss of qualifying health coverage
- Change in household size
- Change in primary place of living
- Enrollment or plan error
- Other qualifying changes

“Loss of Qualifying Health Coverage” Includes

- You or your dependent have lost minimum essential coverage during the coverage year.
- You had Cal-COBRA or COBRA coverage, and now that coverage has ended.
- You are no longer eligible to be covered as a dependent due to reaching the limiting age.
- You or your dependent were covered by another group vision plan and now that coverage has ended.
- You or your dependents had Healthy Families or Medi-Cal with no share-of-cost, and now no longer qualify for it.
- You, your spouse, or child loses coverage under another group vision plan due to the employee's becoming entitled to Medicare, divorce or legal separation of the covered employee, or death of the covered employee.

“Change in Household Size” Includes

- You gain a dependent or become a dependent through marriage, through birth, adoption, placement for adoption, or placement in foster care, or through a child support order or other court order

- You lose a dependent due to divorce, legal separation, or death

“Change in Primary Place of Living” Includes

- You or your dependent gain access to new plans as a result of a permanent move.

“Enrollment or Plan Error” Includes

- You or your dependent’s enrollment or non-enrollment in a plan or inaccurate eligibility determination is a result of a technical error, and
- You or your dependent applied for coverage through the Covered California Exchange either during the annual open enrollment period or due to a qualifying event and are determined ineligible either after Open Enrollment has ended or more than 60 days after the qualifying event.

“Other Qualifying Changes” Include

- You or your dependent are survivors of domestic abuse or spousal abandonment; been released from incarceration; have a loss of minimum essential coverage
- You or your dependent are members of the reserve forces of the United States military returning from active duty or a member of the California National Guard returning from active-duty service

You can also enroll in MediExcel Vision Plan when MediExcel Vision Plan cannot produce, a form showing that you said you did not want to enroll because you had other health care coverage.

Triggering Events do not include loss of coverage due to failure to make premium payments on a timely basis.

Special Enrollment Periods begin on the date the *Triggering Event* occurs, and end on the 61st day afterward. Note that for “*Loss of Qualifying Health Coverage*” and “*Change in Primary Place of Living*” categories of *Triggering Event*, you may also submit an application in the 60 days leading up to the event. Persons who enroll during a *Special Enrollment Period* will have their coverage effective dates determined as follows:

- In the case of birth, adoption, placement for adoption, placement in foster care, or a child support or other court order, your coverage is effective on the date of the event.
- In the case of marriage, or in the case where you lose minimum essential coverage, coverage is effective on the first day of the following month.

In the case where the application is submitted before the event, coverage is effective the first day of the month following the event.

How to Apply at These Additional Times

- MediExcel Vision Plan must receive a completed enrollment form from you within 30 days of that date on which you no longer have coverage.

- Your coverage will be in effect the first day of the month following receipt of the completed enrollment application.

Renewal Provisions

- Your MediExcel Vision Plan coverage is subject to all the terms agreed to between MediExcel Vision Plan and your employer.
- This agreement is renewed annually.
- MediExcel Vision Plan may change your vision plan benefits or premium at the time your employer renews its contract with MediExcel Vision Plan, as allowed by law. If this happens, you will receive notice through your employer at least 30 days before the change takes effect.

WHEN YOUR MEDIEXCEL VISION PLAN VISION COVERAGE ENDS (*TERMINATION OF BENEFITS*)

Your vision coverage with MediExcel Vision Plan can end for several reasons. If this happens, you may be able to continue your vision coverage. See “*Continuation Health Coverage*” on page EOC-29.

This chapter tells you about:

- Why your MediExcel Vision Plan coverage can end
- When a dependent no longer qualifies as a dependent
- If you are totally disabled when your vision coverage ends

Why Your MediExcel Vision Plan Coverage Can End

MediExcel Vision Plan cannot end your vision benefits because of your health needs or medical condition. But MediExcel Vision Plan can end (*terminate*) your vision coverage for one of the reasons below.

If Your Employer No Longer Offers MediExcel Vision Plan or Stops Offering Any Vision Plan:

- Your vision benefits with MediExcel Vision Plan can end 30 days after your employer provides you written notice that coverage will be discontinued.
- Coverage for your dependents also ends.

If You or Your Employer Does Not Pay the Premium

- MediExcel Vision Plan will send a notice to your employer saying that the premium is overdue.
- Enrollees will have a 30-day grace period starting on the day the *Notice of Start of Grace Period* is dated. If the premium is not paid by the end of the grace period, your vision benefits cease at the end of the grace period, the contract holder has until the end of the grace period to pay the premium amounts due.
- If you do not pay the premiums and are disenrolled, you and your dependents may apply for re-enrollment during your employer’s next open enrollment period, provided you still satisfy the employer and MediExcel Vision Plan eligibility requirements.

If You Commit Fraud

- This means that you intentionally deceive MediExcel Vision Plan, or you misrepresent yourself or allow someone else to do so in order to get vision care services. If this happens, your coverage can be rescinded or canceled by MediExcel Vision Plan. Rescinded (*rescission*) means that the coverage can be voided retroactively where MediExcel Vision Plan will return your premium and you will be financially responsible

for your incurred vision care services. In either case, MediExcel Vision Plan will send you a notice of the rescission or cancellation of your vision benefits along with an explanation of the effective date and your right to appeal.

If You Lose Your MediExcel Vision Plan Eligibility

- This means that you no longer meet the eligibility requirements described under the “*MediExcel Vision Plan Service Area and General Qualifications*” on page EOC-7.
- You lose your eligibility if you:
 - No longer work in San Diego or Imperial County.
 - No longer reside in the service area.
 - If residing in the U.S., no longer have valid documentation to cross the border into Mexico and return to the U.S.
- Upon loss of eligibility for the above conditions, MediExcel Vision Plan shall send you a *Notice of Termination due to Loss of Eligibility* at least 30 days before the prospective termination date.
- The *Notice of Termination due to Loss of Eligibility* will contain important elements including, but not limited to, the specific eligibility requirement, grievance rights, effective date of termination, and other vision coverage options.

If You Think MediExcel Vision Plan Should NOT Have Ended (*terminated*) Your Benefits

- MediExcel Vision Plan cannot end your vision benefits because of your health needs or medical condition.
- If you think that MediExcel Vision Plan wrongly ended your benefits, you can file a complaint with the Department of Managed Health Care at 1-888-466-2219.

When A Dependent No Longer Qualifies As a Dependent

You must tell MediExcel Vision Plan and your employer as soon as a family member no longer qualifies as a dependent on your vision plan. Family members may no longer qualify as dependents in the following situations:

- **You** and your spouse get a divorce or a legal separation.
- **You** legally end your domestic partnership.
- **Your children** stop qualifying as your dependents.
 - When they turn 26 years of age.
 - When they marry.
 - When they are 26 or older and no longer have a physical or mental handicap that prevents them from working, or you are no longer supporting them.

If You Are Totally Disabled When Your Vision Coverage Ends

If you are getting care for a medical condition that makes you totally disabled, MediExcel Vision Plan will cover care for that condition for a limited time. MediExcel Vision Plan will not cover care for any other illness or medical condition.

You can continue to get care for this medical condition until:

- You are no longer totally disabled, or
- You enroll in a new vision plan that will cover your disability, or
- 12 months after your MediExcel Vision Plan coverage ends, whichever happens first.

INDIVIDUAL CONTINUATION OF HEALTH COVERAGE (*COBRA and CAL-COBRA*)

U.S. and California laws protect your right and your dependents' right to continue your health coverage under certain circumstances or qualifying events. This is called *continuation health coverage* or *continuation of benefits*.

California law requires that we include the following statement about continuation health coverage:

Please examine your options carefully before declining this coverage. You should be aware that companies selling individual health insurance typically require a review of your medical history that could result in a higher premium, or you could be denied coverage entirely.

This chapter tells you about:

- Understanding your choices
- Your Certificate of Creditable Coverage
- The two kinds of continuation health coverage
 - COBRA
 - Cal-COBRA

Understanding Your Choices

Look at all of your choices carefully before you decide what to do.

- You may be able to buy continuation coverage with MediExcel Vision Plan. You cannot be denied continuation coverage because of your medical history.

or

- You can decide not to buy any vision coverage. In this case, you will have to pay all of the cost of any vision care you need. This can be hundreds of dollars.

If You Choose Continuation Vision Coverage

- You have to pay all the premiums.
- You cannot be refused coverage because of your medical history.
- There are deadlines and other requirements that you have to meet to buy each kind of continuation coverage. Call MediExcel Vision Plan for more information at (855) 633-4392 toll-free in the U.S., or call (664) 633-8555 if dialing from Mexico.

Certificate of Creditable Coverage

When you leave MediExcel Vision Plan, we will send you a letter that says how long you were

in MediExcel Vision Plan.

- This is called a Certificate of Creditable Coverage.
- Be sure to keep this letter. You may need it if you get health benefits through another employer.

COBRA

For more information on COBRA, call the Federal Employee Benefits Security Administration (EBSA), toll-free, at 1-866-444-3272.

- COBRA is a U.S. law that applies to employers who have 20 or more employees in their group health plan.
- COBRA may allow you and your dependents to keep MediExcel Vision Plan coverage for up to 18 or 36 months, depending on the qualifying event and other circumstances. If you are no longer eligible for COBRA after 18 months, you may be able to keep your benefits through Cal-COBRA. See below.
- Each qualified person may independently elect/enroll in COBRA coverage. A parent or legal guardian may elect COBRA for a minor child.
- With COBRA, you have the same benefits as current employees in MediExcel Vision Plan.
- You have to pay all of the monthly premium.

You must then pay a monthly premium as long as you stay on COBRA.

- You commit fraud, which means that you intentionally deceive MediExcel Vision Plan, or you misrepresent yourself or allow someone else to do so in order to get vision care services.

Cal-COBRA

Cal-COBRA is a California law that applies to employers who have between 2 and 19 employees in their group health plan.

- Cal-COBRA may allow you, your dependents, and former dependents to keep MediExcel Vision Plan coverage for up to 36 months.
- You have the same benefits as current employees in MediExcel Vision Plan.
- You have to pay all of the monthly premium.

Important Deadlines for Electing/Enrolling in Cal-COBRA with MediExcel Vision Plan

It is important to meet the following deadlines. If you do not, you lose your right to Cal-COBRA coverage.

1. Notification of Qualifying Event:

- Employers must notify MediExcel Vision Plan within 30 days after the following qualifying events:
 - The employee's job ends
 - The employee's hours of employment are reduced

 - The employee dies
 - The employee divorces or legally separates
 - A child or other dependent no longer qualifies as a dependent under plan rules
 - The employee becomes eligible to receive Medicare benefits

2. Election Notice: Generally, you must be sent an election notice not later than 14 days after MediExcel Vision Plan receives notice that a qualifying event has occurred.

3. Election Period: You have 60 days to notify MediExcel Vision Plan in writing that you want to elect/enroll in Cal-COBRA continuation coverage. The 60 days start on the latter of the following two dates:

- The date you receive the election notice.
- The date your coverage ended.

4. Premium Payment: You must pay the premiums for your Cal-COBRA coverage. MediExcel Vision Plan must receive your first premium within 45 days after you enroll in Cal-COBRA. This first premium covers the time from the date your coverage ended because of the qualifying event up to the day you signed up for Cal-COBRA. You must then pay a monthly premium as long as you stay on Cal-COBRA.

If Your Former Employer Stops Offering MediExcel Vision Plan When You Are on Cal-COBRA

- You can elect/enroll in Cal-COBRA with the new vision plan offered by your employer.
- You must enroll and pay your first premium with the new vision plan no more than 30 days after you receive notice that MediExcel Vision Plan is no longer being offered. If you do not meet this deadline, your Cal-COBRA benefits end.

You Will Lose Cal-COBRA If

- You do not pay your premiums on time.
- You move outside the MediExcel Vision Plan service area.
- Your former employer no longer offers any vision plan.

- You sign up for another vision plan. *(However, if your new plan has a waiting period for pre-existing conditions and you have not used up all of your Cal-COBRA, you can keep your Cal-COBRA until the waiting period is over.)*
- You commit fraud, which means that you intentionally deceive MediExcel Vision Plan, or you misrepresent yourself or allow someone else to do so in order to get vision care services.

Independent Medical Review (IMR)

An IMR is a review of your case by one or more doctors who are not part of your vision plan. You do not pay anything for an IMR. If the IMR is decided in your favor, MediExcel Vision Plan must give you the service or treatment you requested.

You may qualify for an IMR if MediExcel Vision Plan does one of the following:

- Denies, changes, or delays a service or treatment because MediExcel Vision Plan determines it is not medically necessary.
- Denies an experimental or investigational treatment for a serious condition.
- Will not pay for emergency or urgent care that you already received.

More Information About An IMR

- If MediExcel Vision Plan denies a treatment because it is experimental or investigational, you can apply for an IMR right away. You do not have to file a complaint with MediExcel Vision Plan first.
- In all other cases, you have to file a complaint with MediExcel Vision Plan first and wait for MediExcel Vision Plan's decision.
- You must apply for an IMR within 6 months after MediExcel Vision Plan sends you a decision about your complaint unless you had a good reason for the delay.
- If you decide not to participate in the IMR process, you may be giving up your right, as stated in California law, to take other legal action against MediExcel Vision Plan

regarding the service or treatment you are requesting.

California Law Requires That We Include the Following Statements

The California Department of Managed Health Care is responsible for regulating healthcare service plans. If you have a grievance against your health plan, you should first telephone your health plan at **(855) 633-4392** toll-free in the U.S., or **(664) 634-8555** if dialing from Mexico, and use your health plan's grievance process before contacting the department. Utilizing this grievance procedure does not prohibit any potential legal rights or remedies that may be available to you. If you need help with a grievance involving an emergency, a grievance that has not been satisfactorily resolved by your health plan, or a grievance that has remained unresolved for more than 30 days, you may call the department for assistance. You may also be eligible for an Independent Medical Review (IMR). If you are eligible for IMR, the IMR process will provide an impartial review of medical decisions made by a health plan related to the medical necessity of a proposed service or treatment, coverage decisions for treatments that are experimental or investigational in nature and payment disputes for emergency or urgent medical services. The department also has a toll-free telephone number **(1-888-466-2219)** and a TDD line **(1-877-688-9891)** for the hearing and speech impaired. The department's internet website www.dmhc.ca.gov has complaint forms, IMR application forms, and instructions online.

Please note that grievances involving rescissions, cancellations, and non-renewal grievances are treated as expedited grievances and the enrollee does not need to submit a grievance first to the health plan. **If you believe your health coverage has been or will be improperly canceled, rescinded, or not renewed, you may also call the Department for assistance.**

This *Combined Evidence of Coverage and Disclosure Form* constitutes only a summary of the vision plan. The vision plan contract must be consulted to determine the exact terms and conditions of coverage.

Employee Retirement Income Security Act (ERISA) Notification

If your employer's health plan is governed by the Employee Retirement Income Security Act ("ERISA,") you may have the right to bring civil action under Section 502(a) of ERISA if all required reviews of your claim have been completed and your claim has not been approved.

You are entitled to, upon request and free of charge, reasonable access to, and copies of, all documents, records, and other information relevant to your claim for benefits. Additionally, you and your plan may have other voluntary alternative dispute resolution options, such as mediation.

Binding Arbitration

If you cannot solve your problem through the complaint processes listed above, you can ask for binding arbitration (*see below*.) Binding arbitration is the final step you can take to resolve your complaint with MediExcel Vision Plan.

When you became a member of MediExcel Vision Plan, you agreed to submit all unresolved complaints to binding arbitration, including complaints about medical malpractice. This means that you have agreed to give up your right to a trial by jury and other legal proceedings.

- Arbitration is usually less expensive and takes less time than a lawsuit.
- Arbitration can be requested by either the MediExcel Vision Plan or the MediExcel Vision Plan member.

Definition of Binding Arbitration

Arbitration is a way to solve disputes, disagreements, or problems without filing a formal lawsuit.

- One or more people, called arbitrators, who are not connected with you or with MediExcel Vision Plan make the final decision on your case.
- Together, you and MediExcel Vision Plan choose and approve the arbitrator(s.)
- The arbitrator(s) review the case and then write a decision, called an *opinion*.
- Both you and MediExcel Vision Plan must accept (*be bound by*) the decision of the arbitrators.

How to Request Arbitration

Send a written request (*also called a demand*) for arbitration to:

MediExcel Vision Plan
Attention: Arbitration Requests

Paying for Arbitration

Attorney(s) Fees: You must pay your own attorney's fees if you choose to have an attorney. MediExcel Vision Plan pays its attorney's fees.

MediExcel Vision Plan will send your application to an independent organization or person to decide if MediExcel Vision Plan should pay for some or all of your part of the arbitrator's fees and expenses.
