This EOC constitutes only a summary of the dental plan. The dental plan contract must be consulted to determine the exact terms and conditions of coverage.

Notice About This Group Dental Plan: MediExcel Health Dental Plan makes this plan available to employees through a contract with the employer. The Group Subscriber Agreement (*Contract*) includes the terms in this EOC, as well as other terms. A copy of the contract is available upon request. A *Summary of Benefits & Coverage* is provided with and is incorporated as part of the EOC. The *Summary of Benefits & Coverage* sets forth the member's share-of-cost for Covered Services under the benefit Plan.

Please read this EOC carefully and completely to understand which services are covered services, and the limitations and exclusions that apply to the Plan.

MediExcel Health Plan provides a matrix summarizing key elements of this Dental Plan at the time of enrollment. This matrix allows individuals to compare the dental plans available to them. The EOC is available for review prior to enrollment in the Plan.

For questions about this Plan, please contact MediExcel's Member Services at (855) 633-4392, or (664) 633-8555 if dialing from Mexico.

Notice About Plan Benefits: no member has the right to receive benefits for services or supplies furnished following termination of coverage, except as specifically provided under the *Extension of Benefits* provision, and when applicable, the *Continuation of Group Coverage* provision in this EOC.

Benefits are available only for services and supplies furnished during the term this health plan is in effect and while the individual claiming benefits is actually covered by this group contract.

Benefits may be modified during the term as specifically provided under the terms of this EOC, the group contract, or upon renewal. If benefits are modified, the revised benefits (*including any reduction in benefits or the elimination of benefits*) apply for services or supplies furnished on or after the effective date of modification.

MediExcel Dental Plan Service Area & General Qualifications

MediExcel Dental Plan has a service area. This is the area in which MediExcel Dental Plan provides dental care coverage which consists of the border cities of Tijuana, Tecate, and Mexicali, Baja California, Mexico. You (*the employee*) must be a Mexican National and work in the Counties of San Diego or Imperial to become a member of MediExcel Dental Plan. You must receive all dental care services within the MediExcel Dental Plan service area unless you need emergency or urgent care. **If you reside in the U.S. and you and your enrolling dependents do not have the proper documentation to cross into Mexico and return to the U.S., you cannot enroll in MediExcel Dental Plan.** If you no longer work in San Diego County or Imperial County, you must inform MediExcel Dental Plan. Your dependents regardless of their nationality may also enroll in MediExcel Dental Plan (*see page EOC-30*). If your dependents do not reside with you, they must reside within the MediExcel Dental Plan service area to be eligible to enroll.

Mexican Dental Plan Care Standards

Legal requirements for and generally accepted practice standards of dental care in Mexico are different than those of California or elsewhere in the United States. Therefore, the care to be received through providers in Mexico within the MediExcel Dental Plan network will be care that is consistent with generally accepted dental care standards of Mexico, not of California. MediExcel Dental Plan contracts only with providers who meet all applicable laws, licensing requirements, and professional standards of Mexico, and who provide their services in accordance with the generally accepted standards of the organized dental community relating to professional dental care services in Mexico. Any member who is not completely comfortable with the standards of care for the practice of medicine and dental care in Mexico should not enroll in the MediExcel Dental Plan.

MediExcel Dental Plan Network

Our dental network is all the dentists and other dental providers that MediExcel Dental Plan has contracts with.

- You must get your dental care from your dentist and other dental providers who are within the network. Our *Provider Directory* is available on our at www.mediexcel.com. If you require a printed copy, call (855) 633-4392 toll-free, (664) 633-8555 if dialing from México.
- If you go to a provider outside the network, you will have to pay all the costs, unless you received pre-approval from MediExcel Dental Plan, *or* you had an emergency *or* you needed urgent care away from home.
- If you are new to MediExcel Dental Plan or MediExcel Dental Plan ends your provider's contract, you can continue to see your current dentist or other dental care provider in some cases. This is called *Continuity of Care* (see page EOC-15.)

Your Dentist & Dental Group (see page EOC-13)

When you join MediExcel Dental Plan, you need to choose a dentist (*also called a primary care dentist or PCD.*) This dentist provides your basic dental care and coordinates the care you need from other providers.

Your dentist and most of the dental specialists you see are usually within the same dental group. A *dental group* is a group of dentists and other dental providers who have a business together.

Language & Communication Assistance (see page EOC-12)

It is important that you communicate with MediExcel Dental Plan and with your dental providers. All MediExcel Member Services Representatives are fluent in Spanish and English. If Spanish is not your first language, MediExcel Dental Plan provides interpretation services and translation of certain written materials.

- To ask for language services, call MediExcel Dental Plan at (855) 633-4392 toll-free, or (664) 633-8555 if dialing from Mexico.
- If you have a preferred language to communicate in, other than Spanish or English, MediExcel Dental Plan will arrange for interpreter services during your telephone call to MediExcel Dental Plan. Call (855) 633-4392 toll-free, or (664) 633-8555 if dialing from Mexico.
- If you are deaf, hard of hearing, or have a speech impairment, you may also receive language assistance services by calling the Deaf and Disabled Telecommunications Program at 711 which can facilitate communications with MediExcel Dental Plan. See page EOC-59.

How to Get Dental Care When You Need It

Please contact your dentist first for all your dental care unless it is an emergency.

- You usually need a referral and pre-approval to get dental care from a provider other than your dentist. See the next section.
- The care must be medically necessary for your health. Your dentist and MediExcel Dental

Plan follow guidelines and policies to decide if the care is medically necessary. If you disagree with MediExcel Dental Plan about whether a service you want is medically necessary, you can request an *Independent Medical Review*. See page EOC-44.

- The care must be a service that MediExcel Dental Plan covers, (*covered services are also called benefits*.) To see what services MediExcel Dental Plan covers, see the “*Summary of Benefits*” on page A-1.

Referrals & Pre-approvals (see page EOC-13)

You need a referral from your dentist and pre-approval from MediExcel Dental Plan for most services. A pre-approval is also called *prior authorization*.

- Make sure your dentist gives you a referral and gets pre-approval if it is required.
- If you do not have a referral and pre-approval when it is required, you will have to pay all the cost of the service.

You usually need a referral and pre-approval to:

- See a dental specialist.
- Get most tests, treatments, and procedures.
- Go to a non-network dental provider — unless it is an emergency.
- Get a second opinion about a diagnosis or treatment.
- See a dentist who is not within the MediExcel Dental Plan network.

You do **not** need a referral and pre-approval to:

- See your dentist.
- Go to a dental facility for emergency dental care.
- Get urgent dental care.

Emergency Dental Care (see page EOC-24)

Emergency dental care is covered anywhere in the world.

- It is an emergency if you reasonably believe that not getting immediate dental care could be dangerous to your life or a part of your body.
- If you have an emergency, go to the nearest emergency dental facility or hospital regardless of whether the emergency care facility is in Mexico or the United States.
- If you can, go to a dental facility within the MediExcel Dental Plan network.
- Call our toll-free line at (855) 633-4392. If you are outside of the U.S., collect calls are accepted.
- If you receive emergency dental services outside the MediExcel Dental Plan provider network, you must let MediExcel Dental Plan know within 48 hours, or as soon as you can.
- Go to your dentist for follow-up care. Do not go back to the dentist who provided emergency dental services for follow-up.

Urgent Dental Care (see page EOC-25)

Urgent dental care is care that you need soon to prevent a serious dental problem. Urgent dental care is covered anywhere in the world.

- For Urgent Dental Care needs while you are within the Plan service area, go to a Plan Dental Center. All Plan Dental Centers are open 7 days a week.
- For Urgent Dental Care needs outside the Plan service area; these urgent dental care facilities require higher copays and may have limitations in services and hours of operation.
- If you have an urgent dental care matter and want to speak with a MediExcel Dental Plan dentist over the telephone or through video communication, call MediExcel Dental Plan at (855) 633-4392 toll-free, or (664) 633-8555 if dialing from Mexico. You will talk with an urgent care representative who will coordinate your telephone or video call with an Urgent Care dentist. There is no copay for this service.

Care When You Are Away from Home *(see page EOC-25)*

- Only emergency and urgent dental care services are covered.
- If you receive emergency dental care or urgent dental care, you must inform MediExcel Dental Plan know within 48 hours, or as soon as possible.
- If special circumstances arise, call MediExcel Dental Plan at (855) 633-4392 toll-free, or (664) 633-8555 if dialing from Mexico.

Costs *(see “Summary of Benefits & Coverage” on page A-1 and “What You Pay” on page EOC-8)*

- The **premium** is what you and/or your employer pay each month to MediExcel Dental Plan to keep coverage.
- **Copay (copayment)** is the amount that you must pay each time you see a dentist or get other covered services.
- After you pay your copay, MediExcel Dental Plan pays the rest of the cost of the service, as long as the service you get is a covered benefit.

If You Have a Problem with MediExcel Dental Plan *(see page EOC-43)*

- If you have a problem with MediExcel Dental Plan, you can file a complaint *(also called an appeal or a grievance)* with MediExcel Dental Plan.
- If you disagree with MediExcel Dental Plan’s decision about your complaint, you can get help from the State of California Department of Managed Health Care HMO Help Center. The HMO Help Center can help you apply for an Independent Medical Review (*IMR*) or file a complaint.

WHAT YOU PAY

This chapter tells you about your costs with MediExcel Dental Plan. The costs you pay may include:

- Premiums
- Copays (*copayments*)

This chapter also tells you what you need to do if:

- You have to pay for care at the time you get it.
- You have more than one health plan (*Coordination of Benefits.*)

Premiums

A *premium* is the amount that MediExcel Dental Plan charges each month for dental care. Usually, your employer pays part of the premium, and you pay the rest.

- The amount you pay is usually taken out of your paycheck each month. If you have questions about your premium, ask your employer, or call MediExcel Dental Plan at (855) 633-4392 toll-free, or (664) 633-8555 if dialing from Mexico.
- If the premium changes, MediExcel Dental Plan will let your employer know in writing at least 30 days before the change. Usually, the premium changes only when your employer renews its contract with MediExcel Health Plan.

Copay (*Copayment*)

A *copay* is the amount that you pay each time you see a dentist within the MediExcel Dental Plan network or get services. You have to pay a copay for most dental services you get.

- You must pay the copay when you get the service.
- Different types of services may have different copay amounts.
- The copay amounts are listed in the “*Summary of Benefits & Coverage*” on page A-1.

If You Have to Pay for Care at the Time You Receive It (*Reimbursement Provisions*)

There may be times when you have to pay for your dental care at the time you receive it. For example, if you get emergency or urgent dental care from a provider who is not in the MediExcel Dental Plan network, you may have to pay for the service at the time you get care.

Ask the provider to bill MediExcel Dental Plan directly. If that is not possible, you will have to pay and then ask MediExcel Dental Plan to reimburse you (*pay you back.*) MediExcel Dental Plan will reimburse you as long as the dental care you get is a Covered Service and you can present substantiating documentation.

How To Get Reimbursed

You must ask MediExcel Dental Plan to reimburse you.

- We must receive your request no later than 180 days after you get the services unless you show that you could not reasonably file your request within this time period.
- Only Covered Benefit Services will be considered for reimbursement.
- You must include a copy of the bill, a receipt for your payment, and supporting documentation such as medical records indicating the dental services rendered.
- If the reimbursement request is for services rendered in Mexico, please include a copy of the “factura” and ensure that the “factura” is made out in the name of “Medi-Excel, S.A. de C.V. with RFC# “MED091108FY4” and the official address, “Avenida Paseo de Los Héroes 2507, Zona Río Tijuana, Baja California 22320.”
- Under Mexican law, all businesses, including health care providers, are required to provide the client a “factura” for all financial transactions. If you are uncertain or have any questions while you are with the Mexican provider, please call Member Services at (664) 633-8555 and we can help you explain it to the provider.
- Send your request to:

MediExcel Dental Plan	MediExcel Dental Plan
750 Medical Center Court, Suite 2	Av. Paseo de los Héroes 2507, Zona Río
Chula Vista, CA 91911	Tijuana, B.C., C.P. 22320
- You may also email your request to: claims@mediexcel.com
- You still have to pay the normal copay for the dental care you received.
- Reimbursement for approved charges will be mailed within 30 business days of receipt of complete documentation.

If You Have More Than One Dental Plan (*Coordination of Benefits*)

Some people have more than one dental plan or health insurance policy. If you do, MediExcel Dental Plan must coordinate your benefits with your other policy. Contact MediExcel Dental Plan and your other policy before you receive dental services to inform each Plan of the other.

- You must inform your dentist and other dental providers about any other dental plan you or members of your family have.
- The total amount paid by all the Plans together will never be more than the total cost of the services.
- You still need to follow each Plan’s policies for using network providers and getting referrals and pre-approvals.

Contracted Dental Providers

All of the dental providers within the MediExcel Dental Plan network are contracted by MediExcel

Dental Plan and are obligated to provide professional dental care services to members in accordance with professional standards. Additionally, in the event that MediExcel Dental Plan fails to pay the contracted provider for any claims for covered benefit services by members, the members shall not be liable to the contracted provider for any sums owed by MediExcel Dental Plan.

Choosing a Dentist

Your dentist gives you your basic dental care and coordinates the dental care you need from other providers. When you first join MediExcel Dental Plan, you may choose a dentist (*also called a primary care dentist, or PCD.*)

- When you need to see a dental specialist, your dentist gives you a referral.
- When you need dental care, call your dentist first—unless it is an emergency.
- If your dentist cannot see you, another dentist within the provider directory will see you.
- Each family member may have a dentist. Each family member can choose a different dentist.
- If you do not choose a dentist, MediExcel Dental Plan will choose one for you. You can change your dentist at any time and for any reason.
- The *Provider Directory* (www.mediexcel.com) has an updated listing of all MediExcel Dental Plan providers.

Tips: Selecting A Dentist

- Look for a dentist you feel comfortable with and can talk to about all your dental health concerns. Think of your dentist as your partner in your dental care.
- Look for a dentist who is easy to get to from your home or office.
- Ask friends for the names of dentists they like.

How to Change Your Dentist

To change your dentist, call MediExcel Dental Plan at (855) 633-4392 toll-free, or (664) 633-8555 if dialing from Mexico.

- Give the dentist's name and why you want to change dentists.
- Say which dentist you want, or ask Member Services to choose a new dentist for you.
- You can start seeing your new dentist immediately.

Referrals & Pre-approvals (*Prior Authorization*)

- To see a dental specialist or another provider, you usually need a referral from your dentist and pre-approval from MediExcel Dental Plan.
- If you do not get the required referral and pre-approval and you get the service or treatment from a specialist or another provider, you will have to pay all the costs.

The Pre-Approval Process

Your dentist usually asks MediExcel Dental Plan for pre-approval. The dental care you want must be a Covered Benefit, and it must be Medically Necessary for your health. MediExcel Dental Plan uses medical guidelines and policies to decide whether to approve or deny a referral.

- It can take up to 5 business days to get a pre-approval, depending on your dental condition and the treatment you need.
- If your dental problem is urgent, MediExcel Dental Plan may take up to (24 hours) to decide, depending on your dental condition and the treatment you need.
- MediExcel Dental Plan will tell your provider what we decide within 24 hours after making a decision.
- MediExcel Dental Plan will send you and your provider a letter within 5 business days after MediExcel Dental Plan has decided whether to approve or deny your request.
- Sometimes more information or other tests may be needed before MediExcel Dental Plan can make a decision. MediExcel Dental Plan will tell your provider as soon as we know that more information or tests are needed. We will tell your provider no later than 5 business days after we receive the request for pre-approval (*or within 24 hours if your health problem is urgent.*)

Your Dentist Makes A Referral

- Your dentist may give you a written referral or may send the referral directly to the other dental provider. Your dentist will give you the name and phone number of the dental specialist or other provider you will see.
- To make the appointment, call MediExcel Dental Plan at (855) 633-4392 toll-free, or (664) 633-8555 if dialing from Mexico.

You Do NOT Need a Referral, Nor Pre-Approval To

- See your dentist.
- Get emergency or urgent dental care services. See “*Emergency Dental Care*” on page EOC-24 and “*Urgent Dental Care*” on page EOC-25.
- Get preventive dental care once a year for a cleaning and fluoride treatment.

Getting A Second Opinion

You may ask for a second opinion from another dentist about a condition that your dentist diagnoses or about a treatment that your dentist recommends. Below are some reasons you may want to ask for a second opinion:

- You have questions about surgery or treatment your dentist recommends.
- You have questions about a diagnosis for a serious chronic dental or medical condition.
- There is disagreement regarding your diagnosis or test results.
- Your dental health is not improving with your current treatment plan.
- Your dentist is unable to diagnose your problem.

How to Request A Second Opinion

You must request pre-approval from MediExcel Dental Plan to get a second opinion.

- You can ask for a second opinion from another dentist in your dentist's dental group or from any dental specialist within the MediExcel Dental Plan network.
- The section called "*The Pre-Approval Process*" on page EOC-14 explains how to request pre-approval.

Keeping a Dentist or Other Provider You Go to Now (*Continuity of Care*)

You may have to find a new dental provider when you join MediExcel Dental Plan if the dental provider you have now is not within the network. Or, you may have to find a new dental provider if you are already a member of MediExcel Dental Plan and your provider's contract with MediExcel Dental Plan ends. However, in some cases, you may be able to keep going to the same dental provider to complete a treatment or to have treatment that was already scheduled.

- This is called *Continuity of Care*.
- You can keep your dental provider **only** if you have certain dental problems or conditions.
- To keep a provider, you must call MediExcel Dental Plan at (855) 633-4392 toll-free, or (664) 633-8555 if dialing from Mexico to ask for *Continuity of Care*. Your provider must agree to keep you as a patient. The provider must also agree to MediExcel Dental Plan's usual terms and conditions for contracting providers.

If provided, it is considered an optional treatment. Replacement of an existing nonfunctional bridge is limited to once in a three-year period and shall be covered only when the replacement duplicates the original bridge.

Persons who enroll during a Special Enrollment Period will have their coverage Effective Dates determined as follows:

- In the case of birth, adoption, placement for adoption, placement in foster care, or a child support order or other court order, your coverage is effective on the date of the event.
- In the case of marriage, or in the case where you lose minimum essential coverage, coverage is effective on the first day of the following month.

In the case where the application is submitted before the event, coverage is effective the first day of the month following the event.

How to Apply at These Additional Times

- MediExcel Dental Plan must receive a completed enrollment form from you within 30 days of that date on which you no longer have coverage.
- Your coverage will be in effect the first day of the month following receipt of the completed enrollment application.

Renewal Provisions

- Your MediExcel Dental Plan coverage is subject to all the terms agreed to between MediExcel Dental Plan and your employer.
- This agreement is renewed annually.
- MediExcel Dental Plan may change your Dental plan benefits or premium at the time your employer renews its contract with MediExcel Dental Plan, as allowed by law. If this happens, you will receive notice through your employer at least 30 days before the change takes effect.

WHEN YOUR MEDIEXCEL HEALTH PLAN HEALTH COVERAGE ENDS (*TERMINATION OF BENEFITS*)

Your dental coverage with MediExcel Dental Plan can end for several reasons. If this happens, you may be able to continue your dental coverage. See “*Continuation of Health Coverage*” on page EOC-39. This chapter tells you about:

- Why your MediExcel Dental Plan coverage can end
- When a dependent no longer qualifies as a dependent
- If you are totally disabled when your dental coverage ends

Why Your MediExcel Dental Plan Dental Coverage Can End

MediExcel Dental Plan cannot end your dental benefits because of your dental needs or medical condition. But MediExcel Health Plan can end (*terminate*) your health coverage for one of the reasons below.

If Your Employer No Longer Offers MediExcel Health Plan or Stops Offering Any Health Plan

- Your dental benefits with MediExcel Dental Plan can end 30 days after your employer provides you written notice that coverage will be discontinued.
- Coverage for your dependents also ends.

If You or Your Employer Does Not Pay the Premium

- MediExcel Dental Plan will send a notice to your employer stating that the premium is overdue.
- Enrollees will have a 30-day grace period starting on the day the *Notice of Start of Grace Period* is dated.
- If the premium is not paid by the due date, your health benefits cease at the end of the grace period.
- If you do not pay the premiums and are disenrolled, you and your dependents may apply for re-enrollment during your employer’s next open enrollment period, provided you still satisfy the employer and MediExcel Dental Plan eligibility requirements.

If You Commit Fraud

- This means that you intentionally deceive MediExcel Dental Plan, or you misrepresent yourself or allow someone else to do so in order to get dental care services. If this happens, your coverage can be rescinded or canceled by MediExcel Dental Plan. Rescinded (*rescission*) means that the coverage can be voided retroactively where MediExcel Dental Plan will return your premium and you will be financially responsible for your incurred health care services. In either case, MediExcel Dental Plan will send you a notice of the rescission or cancellation of health benefits along with an explanation of the effective date and your right to appeal.

If You Lose Your MediExcel Dental Plan Eligibility

- This means that you no longer meet the eligibility requirements described under “*MediExcel Dental Plan Service Area and General Qualifications*” on page EOC-5.
- You lose your eligibility if you:
 - No longer work in San Diego or Imperial County.
 - No longer reside in the service area.
 - If residing in the U.S., no longer have valid documentation to cross the border into Mexico and return to the U.S.
- Upon loss of eligibility for the above conditions, MediExcel Dental Plan will send you a *Notice of Termination due to Loss of Eligibility* at least 30 days before the prospective termination date.
- The *Notice of Termination due to Loss of Eligibility* will contain important elements including, but not limited to, the specific eligibility requirement, grievance rights, the effective date of termination, and other health coverage options.

If You Think MediExcel Dental Plan Should NOT Have Ended (*terminated*) Your Benefits

- MediExcel Dental Plan cannot end your dental benefits because of your dental needs or medical condition.
- If you think that MediExcel Dental Plan wrongly ended your benefits, you can file a complaint with the Department of Managed Health Care at 1-888-466-2219.

When a Dependent No Longer Qualifies As a Dependent

You must tell MediExcel Dental Plan and your employer as soon as a family member no longer qualifies as a dependent on your dental plan. Family members may no longer qualify as dependents in the following situations:

- **You** and your spouse get a divorce or a legal separation.
- **You** legally end your domestic partnership.
- **Your children** stop qualifying as your dependents.
 - When they turn 26 years of age.
 - When they are covered in their own employer-sponsored dental plan.
 - When they are 26 or older and no longer have a physical or mental handicap that prevents them from working, or you are no longer supporting them.

If You Are Totally Disabled When Your Health Coverage Ends

If you are getting care for a medical condition that makes you totally disabled, MediExcel Dental Plan will cover care for that condition for a limited time. MediExcel Dental Plan will not cover care for any other illness or medical condition.

You can continue to get care for this medical condition until:

- You are no longer totally disabled, or
- You enroll in a new dental plan that will cover your disability, or
- 12 months after your MediExcel Dental Plan coverage ends, whichever happens first.

INDIVIDUAL CONTINUATION OF HEALTH COVERAGE (COBRA and CAL-COBRA)

U.S. and California laws protect your right and your dependents' right to continue your dental coverage under certain circumstances or qualifying events. This is called *Continuation of Health Coverage* or *Continuation of Benefits*.

California law requires that we include the following statement about continuation of health coverage:

Please examine your options carefully before declining this coverage. You should be aware that companies selling individual health insurance typically require a review of your medical history that could result in a higher premium, or you could be denied coverage entirely.

This chapter tells you about:

- Understanding your choices
- Your Certificate of Creditable Coverage
- The two kinds of continuation health coverage:
 - COBRA
 - Cal-COBRA

Understanding Your Choices

Look at all your choices carefully before you decide what to do.

- You may be able to buy continuation coverage with MediExcel Dental Plan. You cannot be denied continuation coverage because of your medical history.

Or

- You can decide not to buy any dental coverage. In this case, you will have to pay all the cost of any dental care you need. This can be thousands of dollars.

If You Choose Continuation of Dental Coverage

- You have to pay all the premiums.
- You cannot be refused coverage because of your dental/medical history.
- After you use up one kind of continuation coverage, you may be eligible for another kind. This is explained below.
- There are deadlines and other requirements that you have to meet to buy each kind of continuation coverage. Call MediExcel Dental Plan for more information at (855) 633-4392 toll-free, or (664) 633-8555 if dialing from Mexico.

Certificate of Creditable Coverage

When you leave MediExcel Dental Plan, we will send you a letter that says how long you were enrolled in the MediExcel Dental Plan.

- This is called a Certificate of Creditable Coverage.
- Be sure to keep this letter. You may need it if you get dental benefits through another employer.

COBRA

For more information on COBRA, call the *Federal Employee Benefits Security Administration (EBSA)* toll-free, at 1-866-444-3272.

- COBRA is a U.S. law that applies to employers who have 20 or more employees in their group dental plan.
- COBRA may allow you and your dependents to keep MediExcel Dental Plan coverage for up to 18 or 36 months, depending on the qualifying event and other circumstances. If you are no longer eligible for COBRA after 18 months, you may be able to keep your benefits through Cal-COBRA. See below.
- Each qualified person may independently elect/enroll in COBRA coverage. A parent or legal guardian may elect COBRA for a minor child.
- With COBRA, you have the same benefits as current employees in MediExcel Dental Plan.
- You have to pay all the monthly premiums.

Important Deadlines for Electing/Enrolling in COBRA with MediExcel Dental Plan

It is important to meet the following deadlines. If you do not, you lose your right to COBRA coverage.

1. Notification of Qualifying Event:

- Employers must notify MediExcel Dental Plan within 30 days after the following qualifying events:
 - The employee's job ends
 - The employee's hours of employment are reduced
 - The employee becomes eligible to receive Medicare benefits
 - The employee dies
- You or your dependent must notify MediExcel Dental Plan in writing within 60 days after any of the following qualifying events:
 - The employee divorces or legally separates
 - A child or other dependent no longer qualifies as a dependent under plan rules

2. **Election Notice:** Generally, you must be sent an election notice no later than 14 days after MediExcel Dental Plan receives notice that a qualifying event has occurred.

3. **Election Period:** You have 60 days to notify MediExcel Dental Plan in writing that you want

to elect/enroll in COBRA coverage. The 60 days start on the latter of the following two dates:

- The date you receive the election notice.
- The date your coverage ended.

4. **Premium Payment:** You must pay the premiums for your COBRA coverage. MediExcel Dental Plan must receive your first premium within 45 days after you enroll in COBRA. This first premium covers the time from the date your coverage ended because of the qualifying event up to the day you signed up for COBRA. You must then pay a monthly premium as long as you stay on COBRA.

If Your COBRA is Ending, You May Be Able to Elect/Enroll in Cal-COBRA

When your 18 months of COBRA ends, you may be able to keep MediExcel Dental Plan coverage for up to 18 more months under Cal-COBRA. If you were on COBRA for 36 months, you cannot get Cal-COBRA for any additional period of time.

- Your employer should send you an enrollment form. Or you can call MediExcel Dental Plan at (855) 633-4392 toll-free, or (664) 633-8555 if dialing from Mexico and ask for more information.
- You must fill out the enrollment form, send it to MediExcel Dental Plan, and pay your premium no more than 30 days after you receive the enrollment form.

You Will Lose COBRA If

- You do not pay your premiums on time.
- You move outside the MediExcel Dental Plan service area.
- Your former employer no longer offers any health plan.
- You become eligible for Medicare.
- You sign up for another dental plan. *(However, if your new plan has a waiting period for pre-existing conditions and you have not used up all your COBRA, you can keep COBRA until the waiting period is over.)*
- You commit fraud, which means that you intentionally deceive MediExcel Dental Plan, or you misrepresent yourself or allow someone else to do so in order to get dental care services.

Cal-COBRA

Cal-COBRA is a California law that applies to employers who have between 2 and 19 employees in their group dental plan.

- Cal-COBRA may allow you, your dependents, and former dependents to keep MediExcel Dental Plan coverage for up to 36 months.
- You have the same benefits as current employees in MediExcel Dental Plan.
- You have to pay the entire monthly premium.

Important Deadlines for Electing/Enrolling in Cal-COBRA with MediExcel Dental Plan

It is important to meet the following deadlines. If you do not, you lose your right to Cal-COBRA coverage.

1. Notification of Qualifying Event:

- Employers must notify MediExcel Dental Plan within 30 days after the following qualifying events:
 - The employee's job ends
 - The employee's hours of employment are reduced
- You or your dependent must notify MediExcel Dental Plan in writing within 60 days after any of the following qualifying events:
 - The employee dies
 - The employee divorces or legally separates
 - A child or other dependent no longer qualifies as a dependent under plan rules
 - The employee becomes eligible to receive Medicare benefits

2. Election Notice: Generally, you must be sent an election notice no later than 14 days after MediExcel Dental Plan receives notice that a qualifying event has occurred.

3. Election Period: You have 60 days to notify MediExcel Dental Plan in writing that you want to elect/enroll in Cal-COBRA continuation of coverage. The 60 days start on the latter of the following two dates:

- The date you receive the election notice.
- The date your coverage ended.

4. Premium Payment: You must pay the premiums for your Cal-COBRA coverage. MediExcel Dental Plan must receive your first premium within 45 days after you enroll in Cal-COBRA. This first premium covers the time from the date your coverage ended because of the qualifying event up to the day you signed up for Cal-COBRA. You must then pay a monthly premium as long as you stay on Cal-COBRA.

If Your Former Employer Stops offering MediExcel Dental Plan When You Are on Cal-COBRA

- You can elect/enroll in Cal-COBRA with the new dental plan offered by your employer.
- You must enroll and pay your first premium with the new health plan no more than 30 days after you receive notice that MediExcel Dental Plan is no longer being offered. If you do not meet this deadline, your Cal-COBRA benefits end.

You Will Lose Cal-COBRA If

- You do not pay your premiums on time.
- You move outside the MediExcel Dental Plan service area.
- Your former employer no longer offers any dental plan.
- You sign up for or become eligible for Medicare.

- You sign up for another dental plan. *(However, if your new plan has a waiting period for pre-existing conditions and you have not used up all your Cal-COBRA, you can keep your Cal-COBRA until the waiting period is over.)*
- You commit fraud, which means that you intentionally deceive MediExcel Dental Plan, or you misrepresent yourself or allow someone else to do so in order to get dental care services.

The Department of Managed Health Care (*DMHC*) is the California regulatory authority that protects the rights of HMO members.

- If you do not agree with MediExcel Dental Plan's decision, or you do not receive the decision within the required time, you can take your problem to the DMHC. See the contact information below.
- The DMHC will look at your case and decide if you qualify for *an Independent Medical Review* (see "*Independent Medical Review (IMR)* below.)
- If you do not qualify for an Independent Medical Review, the DMHC will review your case as a complaint against your health plan.
- If your problem is urgent, you can call the DMHC at any time.

How to Contact the Department of Managed Health Care

- **Telephone:** 1-888-466-2219 in the U.S.
- **Website:** www.dmhc.ca.gov. The website has Independent Medical Review and complaint forms and instructions.
- Staff are available 24 hours a day, 7 days a week, in many languages, to help you solve problems with your health plan. There is no charge to call.

Independent Medical Review (IMR)

IMR is a California program where certain denied services may be subject to an external review. IMR is only available for medical services or services that are available due to enrollment in a related full-service medical plan. IMR is a review of your case by one or more doctors who are not part of your health plan. You do not pay anything for an IMR. If the IMR is decided in your favor, MediExcel Dental Plan must give you the service or treatment you requested.

You may qualify for an IMR if MediExcel Dental Plan does one of the following:

- Denies, changes, or delays a service or treatment because MediExcel Dental Plan determines it is not medically necessary.
- Denies an experimental or investigational treatment for a serious condition.
- Will not pay for emergency or urgent care that you already received.

More Information About IMR

- If MediExcel Dental Plan denies a treatment because it is experimental or investigational, you can apply for an IMR right away. You do not have to file a complaint with MediExcel Dental Plan first.
- In all other cases, you have to file a complaint with MediExcel Dental Plan first and wait for MediExcel Dental Plan's decision.
- You must apply for an IMR within 6 months after MediExcel Dental Plan sends you a decision about your complaint unless you had a good reason for the delay.

- If you decide not to participate in the IMR process, you may be giving up your right, as stated in California law, to take other legal action against MediExcel Dental Plan regarding the service or treatment you are requesting.

California Law Requires That We Include the Following Notification

The California Department of Managed Health Care is responsible for regulating health care service plans. If you have a grievance against your health plan, you should first telephone your health plan at **(855) 633-4392** and use your health plan's grievance process before contacting the department. Utilizing this grievance procedure does not prohibit any potential legal rights or remedies that may be available to you. If you need help with a grievance involving an emergency, a grievance that has not been satisfactorily resolved by your health plan, or a grievance that has remained unresolved for more than 30 days, you may call the department for assistance. You may also be eligible for an Independent Medical Review (IMR). If you are eligible for IMR, the IMR process will provide an impartial review of medical decisions made by a health plan related to the medical necessity of a proposed service or treatment, coverage decisions for treatments that are experimental or investigational in nature and payment disputes for emergency or urgent medical services. The department also has a toll-free telephone number **(1-888-466-2219)** and a TDD line **(1-877-688-9891)** for the hearing and speech impaired. The department's internet website **www.dmhc.ca.gov** has complaint forms, IMR application forms and instructions online.

Please note that grievances involving rescissions, cancellations, and non-renewal grievances are treated as expedited grievances and the enrollee does not need to submit a grievance first to the health plan. **If you believe your health coverage has been or will be improperly canceled, rescinded, or not renewed, you may also call the Department for assistance.**

This *Combined Evidence of Coverage & Disclosure Form* constitutes only a summary of the health plan. The dental plan contract must be consulted to determine the exact terms and conditions of coverage.

Employee Retirement Income Security Act (ERISA) Notification

If your employer's health plan is governed by the Employee Retirement Income Security Act ("ERISA,") you may have the right to bring a civil action under Section 502(a) of ERISA if all required reviews of your claim have been completed and your claim has not been approved.

You are entitled to, upon request and free of charge, reasonable access to, and copies of, all documents, records, and other information relevant to your claim for benefits. Additionally, you and your plan may have other voluntary alternative dispute resolution options, such as mediation.

Binding Arbitration

If you cannot solve your problem through the complaint processes listed above, you can ask for binding arbitration (*see below*.) Binding arbitration is the final step you can take to resolve your complaint with MediExcel Dental Plan. When you became a member of MediExcel Dental Plan, you agreed to submit all unresolved complaints to binding arbitration, including complaints about medical malpractice. This means that you have agreed to give up your right to a trial by jury and other legal proceedings.

- Arbitration is usually less expensive and takes less time than a lawsuit.

- Arbitration can be requested by either the MediExcel Dental Plan or the MediExcel Dental Plan member.

Definition of Binding Arbitration

Arbitration is a way to solve disputes, disagreements, or problems without filing a formal lawsuit.

- One or more people, called arbitrators, who are not connected with you or with MediExcel Dental Plan make the final decision on your case.
- Together, you and MediExcel Dental Plan choose and approve the arbitrator(s).
- The arbitrator(s) review the case and then write a decision, called an *opinion*.
- Both you and MediExcel Dental Plan must accept (*be bound by*) the decision of the arbitrators.

How to Request Arbitration

Send a written request (*also called a demand*) for arbitration to:
