Independent Medical Review (IMR)

An IMR is a review of your case by one or more doctors who are not part of your health plan. You do not pay anything for an IMR. If the IMR is decided in your favor, MediExcel Health Plan must give you the service or treatment you requested.

You may qualify for an IMR if MediExcel Health Plan does one of the following:

- Denies, changes, or delays a service or treatment because MediExcel Health Plan determines it is not medically necessary.
- Denies an experimental or investigational treatment for a serious condition.
- Will not pay for emergency or urgent care that you already received.

More information about an IMR:

- If MediExcel Health Plan denies a treatment because it is experimental or investigational, you can apply for an IMR right away. You do not have to file a complaint with MediExcel Health Plan first.
- Similarly, if MediExcel Health Plan denies a treatment and you believe your case is extraordinary and compelling as it involves an imminent threat to your health, you can apply for an IMR right away and request a waiver from the Health Plan Help Center to avoid filing a complaint with MediExcel Health Plan first.
- In all other cases, you have to file a complaint with MediExcel Health Plan first and wait for MediExcel Health Plan’s decision.

- You must apply for an IMR within 6 months after MediExcel Health Plan sends you a decision about your complaint, unless you had a good reason for the delay.
- If you decide not to participate in the IMR process, you may be giving up your right, as stated in California law, to take other legal action against MediExcel Health Plan regarding the service or treatment you are requesting.

California law requires that we include the following statements:

The California Department of Managed Health Care is responsible for regulating health care service plans. If you have a grievance against your health plan, you should first telephone your health plan at **(855) 633-4392**, or at **(664) 633-8555** if dialing from Mexico and use your health plan's grievance process before contacting the department. Utilizing this grievance procedure does not prohibit any potential legal rights or remedies that may be available to you. If you need help with a grievance involving an emergency, a grievance that has not been satisfactorily resolved by your health plan, or a grievance that has remained unresolved for more than 30 days, you may call the department for assistance. You may also be eligible for an Independent Medical Review (IMR.) If you are eligible for an IMR, the IMR process will provide an impartial review of medical decisions made by a health plan related to the medical necessity of a proposed service or treatment, coverage decisions for treatments that are experimental or investigational in nature and payment disputes for emergency or urgent medical services. The department also has a toll-free telephone number **(1-888-466-2219)** and a TDD line **(1-877-688-9891)** for the hearing and speech impaired. The department's internet web site **www.dmhca.ca.gov** has complaint forms, IMR application forms and instructions online.

Please note that grievances involving rescissions, cancellations and nonrenewal grievances are treated as expedited grievances and the enrollee does not need to submit a grievance first to the health plan. **If you believe your health coverage has been, or will be improperly cancelled, rescinded, or not renewed, you may also call the Department of Managed Healthcare for assistance.**

Binding Arbitration

If you cannot solve your problem through the complaint processes listed above, you can ask for binding arbitration (see below.) Binding arbitration is the final step you can take to resolve your complaint with MediExcel Health Plan.

When you became a member of MediExcel Health Plan, you agreed to submit all unresolved complaints to binding arbitration, including complaints about medical

malpractice. This means that you have agreed to give up your right to a trial by jury and other legal proceedings.

- Arbitration is usually less expensive and takes less time than a lawsuit.
- Arbitration can be requested by either MediExcel Health Plan or the Member.

Definition of binding arbitration:

Arbitration is a way to solve disputes, disagreements, or problems without filing a formal lawsuit.

- One or more people, called arbitrators, who are not connected with you or with MediExcel Health Plan make the final decision on your case.
- Together, you and MediExcel Health Plan choose and approve the arbitrator(s).
- The arbitrator(s) reviews the case and then writes a decision, called an *opinion*.
- Both you and MediExcel Health Plan must accept (be bound by) the decision of the arbitrators.

How to request arbitration:

Send a written request (also called a demand) for arbitration to:

MediExcel Health Plan
